iv) How to get Ready Made Catalogue or Download the Records from GujCat?

GujCat provides facility to Download/Copy bibliographic records in MARC format. Using this feature user can get ready made catalogue. Copy Cataloguing is that one need not catalogue an item which has already been catalogued by someone, especially if it could be downloaded over the Internet. Copy cataloguing provides the solution to save the cost of cataloguing and time of library employees. The main purpose is to locate an appropriate bibliographic record and download it in the local Library Management Software.

v) Process of Copy Cataloguing using GujCat:

The procedures involved in copy cataloguing are as follows:

- ❖ Search bibliographic record in GujCat that allows copy cataloguing.
- ❖ If record is available in GujCat database, download the record in MARC format.
- ❖ If your library software is compatible with MARC format, you can import that file/records and you may get main fields such as Title, Author, Place, Publisher, Year, Edition etc.
- ❖ Add local information such as Class Number, Book Number, Accession No., etc.
